Report on Consolidated Financial Results

We have audited the consolidated financial results of Valecha Engineering Limited ("the Company") and subsidiaries (collectively referred to as "the Group") for the consolidated year to date results for the period of April 01, 2016 to March 31, 2017, attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended).

Management's Responsibility for Consolidated Financial Results

These consolidated year to date financial results have been prepared from consolidated interim financial statements, which are the responsibility of the Company's management.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial results based on our audit which have been prepared in accordance with the recognition and measurement principles laid down in Accounting Standard for Interim Financial Reporting (AS 25), mandated under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India.

We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion.

We have relied on the unaudited financial statements of three subsidiaries whose financial statements reflect total assets of Rs.54,585.24 Lakhs as at March 31, 2017; as well as the total revenue of Rs.1,693.88 Lakhs for the year ended on that date. These unaudited financial statement have been certified by the respective Board of Directors of these companies have been furnished to us by the Management and our report in so far as it relates to the amounts

included in respect of subsidiaries is based solely on such certified unaudited financial statements.

In our opinion and to the best of our information and according to the explanations given to us, except for the effect of the matter described in the paragraph above, these consolidated financial results:

- (i) Include the year to date financial results of the following entities:
 - (a) Valecha Infrastructure Limited
 - (b) Valecha LM Toll Private Limited
 - (c) Valecha Badwani Sendhawa Tollways Limited
 - (d) Valecha Kachchh Toll Roads Limited
 - (e) Valecha International – FZE
 - (f) Professional Realtors Private Limited
- (ii) have been presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) in this regard; and
- (iii) give a true and fair view of the consolidated net loss and other financial information for the year ended March 31, 2017.

Emphasis of Matter

We draw attention to the following matter in the notes to consolidated financial statements:

- a) Holding company:
 - (i) Note no.29 in the Audited Financial Statements indicates that the Company has incurred Substantial losses from its operations during the current and previous year which has eroded its net-worth substantially. The Company has also incurred net operating cash loss during the current year. Further, the Company has defaulted in repayment of borrowing and payment of statutory dues, and few banks have categorised the Company's bank accounts as "Non-performing Assets". These conditions, along with other matters set forth in Note no.29 in the audited financial statements indicate the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern. However, the financial statements of the Company have been prepared on a going concern basis for the reasons stated in the said Note.
 - (ii) The investment in Valecha Infrastructure Limited and Valecha Kuchchh Toll Roads Limited, subsidiaries of the Company, whose net worth has been fully eroded, is carried at Rs.9,833.50 lakhs in the Balance Sheet as at March 31, 2017. The investment in Valecha International (FZE), which has no operations for several years, is carried at Rs.26.44 lakhs as at March 31, 2017. Further, loans and advances given to these subsidiaries aggregating to Rs.14,293.19 lakhs are outstanding as at March 31, 2017. However the Management does not expect any material impact affecting the current year's financial statements on account of provision for diminution in the value of investments and recoverability of loans and advances. Accordingly, no provision has been made in the financial statements.

- (iii) We did not audit the books of account due to non-availability of supporting documents of three (3) project sites whose statements reflect total assets of Rs. 5,276.49 lakhs (5.20% of total assets) as on March 31, 2017, total revenue of Rs.738.87 lakhs(1.70% of total revenue) and total profit of Rs. 4.99 lakhs (-% of total loss) for the year ended on that date.
- (iv) Note no. H in the Audited Financial statements which indicate that, balances of certain trade receivables and advances are subject to confirmation and reconciliation. However, the Management does not expect any material variation affecting the current year's financial statements on account of such reconciliation/ adjustments. Accordingly, no provision has been made in the financial statements.
- b) Subsidiary Company (Valecha Infrastructure Limited):
- (i) The investment in Valecha LM Toll Private Limited and Valecha Badwani Sendhwa Tollways Limited, subsidiaries of the Company whose net worth has been fully eroded, is carried at Rs. 6,321 Lakhs in the Balance Sheet as at March 31, 2017. Further Loans and Advances given to these subsidiaries amounting to Rs. 1.36 Lakhs are outstanding as at March 31, 2017. However the management does not expect any material impact affecting the current year's financial statements on account of provision for diminution in value of investment and Loans and advances. Accordingly no provision has been made in the financial statements.
- (ii) Note No. 19 in the financial statements indicates that, the Company has accumulated losses and its net worth has been fully eroded, the Company has incurred a net loss during the current and previous years and, the Company's current liabilities exceeded its current assets as at the Balance Sheet date. There conditions, along with other matters set forth in Note No. 19, indicate the existence of material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern. However the standalone financial statements of the Company have been prepared on a going concern basis for the reasons stated in the said Note.

Our opinion is not modified in respect of these matters.
